1. Following is the answer received to the dispatch mentioned in paragraph one of reference. It is dated 5 November 1952:

"a. Jacobox report that KAUER came to notice again in December 1951 when they received a report from Vienna, emanating from CROWTAL, Austria, which stated he was associated with Dr. Hugo KITTEL and Dr. Viktor ULTHANN in Salzburg in intelligence activities. KITTEL is known to have worked with KAUER for the German L[illegible] during the war.

b. ALTMANN, who was born in Vienna in 1900 and is a naturalised British subject, was formerly an Intelligence Officer in Berlin until he was declared redundant by Control Commission, Germany in 1950. Jacobox regard him as indiscreet and unreliable. He later went to Frankfurt a/Main where he was engaged in the textile business. In February 1951 he stayed in the flat in Vienna of Hermann [redacted] wool manufacturer, who is probably connected with the textile firm ULTMANN, which is Communist-controlled.

c. Subsequent enquiries Broadway have made into the activities of [redacted] and ALTMANN have so far failed to provide confirmation that they are engaged in intelligence activities or to show for what agency they and KAUER may be working.

d. Joseph Adolf URBAN is known to Broadway as a fabricator of intelligence in Austria, but they have no evidence of contact between him and KAUER. They also have no information t show that URBAN's activities in this sphere are sponsored by Soviet Intelligence.

e. JACOBOX are continuing their enquiries regarding the activities of the above individuals, and they will keep this station informed of the results. In the meantime, Jacobox would appreciate any evidence Headquarters holds to support the allegations that URBAN is sponsored by the Russians, as mentioned in paragraph 1 of [redacted]."
